

British Veterinary Rehabilitation and Sports Medicine Association (BVR SMA) CPD Day

Friday 15th June 2012

Hip dysplasia and cruciate disease: a multi- disciplinary approach

We will be refreshing our understanding and expanding our treatment options for these common conditions by looking at them from the viewpoint of the small animal general practitioner, orthopaedic specialist and rehabilitation professional. At the end of the day we will be holding our AGM.

Open to: Veterinary Surgeons, ACPAT Chartered Veterinary Physiotherapists and Veterinary Nurses in practice.

Location: The Chase Hotel, Higham Lane, Nuneaton, Warwickshire, CV11 6AG

Speakers: Steve Butterworth MA VetMB CertVR DSAO MRCVS
Hannah Price Chartered Veterinary Physiotherapist ACPAT Cat A

CPD time: 6 hours

Cost: £50 for BVR SMA members, £70 for non-members

Registration: e-mail mail@smartvetwales.co.uk or phone 02920799886 for a registration form
