# ISAMP 2014

International Symposium in Animal Musculoskeletal Practice  
28-30 November 2014  
University of Warwick Radcliffe Conference Centre. UK

Are you an animal therapist, vet nurse or vet, or a dedicated animal owner wishing to extend your knowledge? If so, then ISAMP 2014 is for you. This new event has some of the top experts in the world are lined up to extend your knowledge and improve your practice.

ISAMP 2014 is for anyone who has an interest in the health and welfare of animals. This will be the first conference of its kind in the world, where all those working in animal therapy can come together to learn the very latest research and techniques from some of the most highly respected scientists and practitioners from across the globe.

It is being held in one of the UK's most prestigious conference centres, the Radcliffe Centre at Warwick University. The venue has everything to make your attendance a social event with 4\* accommodation (all en suite), bar and delicious food cooked by award winning Chefs. It provides a complete environment for work, rest and play. Delegates can enjoy facilities such as a fully equipped gym and full sized swimming pool together with free Wi-Fi, an extensive business centre and much more. For pictures view the photo gallery

We have been able to secure fantastic rates for our delegates, particularly our "all inclusive" package that gives two nights B & B, ticket to the formal dinner (with guest speaker) and all 3 conference days including 3-course lunch catering for all tastes, for the incredible price of £600.00. If you want to bring your partner (non-conference attending) all rooms are doubles and there is plenty to see and do in Warwick, Stratford upon Avon and Leamington Spa (more details here), all within a few miles of the venue. Bringing your partner will only cost an extra £15 per night.

In addition there will be trade stands and raffles with fantastic prizes to aid the ISAMP chosen charities and much more
